

### REMARKS

Claims 1, 3, 5, 7, 8, 10, 11, and 13, 15-16 are pending in the application. Claims 2, 4, 6, 9, 12 and 14 are cancelled. Claims 1 has been amended. No new matter has been added.

Claims 1 and 15-16 has been rejected under 35 U.S.C. §102(b) as allegedly anticipated by Cremades et al.. Applicants have amended claim 1 to address the Examiner's comments. Claim 1 has been amended to remove the term "about" before 4 mg/kg. This lower limit does not read on Cremades et al. lower limit of 3 mg/kg. It is believed that this rejection under 35 USC §102(b) is overcome.

Reconsideration is respectfully requested.

Respectfully submitted,
